“ Precious Aunt Frieda, you were so kind and so loving to me every time I saw you. You were the quiet one of my dad's family, but you'd always laugh heartily along at all the stories they'd tell, and there were so many!! I know you are all having the sweetest reunion with the Lord now, and it makes me smile to think of it! Thank you for loving me well, my dear. Rest in glory and give my dad a kiss for me.

“ Frieda's room was across the hall from my Mom at Heritage. She sat at Mom's table for meals. I had lunch with her many times. She was a sweet lady. Gave Frieda Mom's books. She's with the angels now

“ To the Family of Frieda, We met sweet Frieda at Creekside Terrace in Cissna Park when my Husband Dan was the Maintenance Manager when the building opened up for the residents. We enjoyed her company and friendship for almost 5 years we lived there. We were one of the first eight residents that moved into the new building in November 2008. We enjoyed lots of talks sitting out on the front porch or in the community room, the potlucks we had there with the residents and the coffee club every morning We would see her either walking outside on good weather or in the hallways several times a day. We lost contact with her after we moved out in 2012. But thought of her several times. Now she is taking those walks that she enjoyed beside our Heavenly Father. You will be missed sweet lady. In Christ's love Dan, Jackie Worthey.

“ So very sorry to hear of Freida's passing. I worked with her at CBS, she was such a talker and a walker. Such a great person. My sympathies and my prayers are with you all during this very difficult time
