“ to the family: Sorry for your loss. I have very fond memories of our childhood..especially playing ball at Joan of Arc. And your laugh....you were so loud girl! You never changed. May you rest in peace. From the entire Zamarripa clan.

“ My thoughts and prayers are with the family. I met Manuela (Mema) 25 years ago when I married her cousin Ricky and she was always so kind and fun to be with. She always had a smile on her face and always so friendly. Its sad that we lost touch through the years but I will always picture her happy smile in my mind. I'm sure you are smiling from Heaven, and God has a new Angel. God Bless

“ Manulea you are a wonderful person. You always made me laugh we I was having a bad day and you always there for me to talk to. I remember how Geral used to get on your nerves at work and make u so mad then turn around and make you laugh so hard you forgot why you was so mad. Im going to miss you terribly and you was like a mother to me. Even talked after we both stopped working at Burger King, You will be sadly missed but never forgotten. We love you Mannie

Love always,  
Melissa and Geral.
