“ To Sam, Nathan and Phillip your father was so proud of you. He always kept me up to date on your growing up as young men. Mark was a man so full of life and a man who was a bigger star In his own right. I am saddened with my loss of Mark as a dear friend. My sincere condolences to sons and sister. Ruby A. “ We have great memories of Mark, we will miss him. One memorial is when Judy and I visited the farm and Mark was moving the cattle from one field to another, little did we know that we were standing in the path of them so we had to run out of the way. It wasn't that close, but when those big guys start coming you better watch out! We laughed, and laughed.

“ My condolences to the family. I was saddened to hear of his passing. We both met as ag students at Illinois State University. We had many interesting discussions with current events as related to farming and agriculture issues. He was a good friend. After college we both pursued our separate way and lost contact on a personal basis. Rest In Peace my friend.

“ Mark and I became friends when my family moved to Wellington in January of 1958. We were 11 years old. We lived a couple of miles from each other for most of our school and adult years. Early in our marriages, we socialized, Sam and Nathan were the same ages as my two sons. We worked together farming, and went fishing together several times. Mark was a life long loyal friend for 62 years. To many, Mark was a generous man. He will be missed. RIP

“ Mark, you were a great older cousin (older than me) to have as a kid. What a great photo on the lake fishing! I'm holding the whole Lockhart clan in my thoughts.

“ I'm so sorry to hear of Mark's passing. I will always remember Mark and our times together back in our college days at Illinois State University. I'm not the most "social" person in the world so we didn't stay in touch as much as we could have. I know he was having some health issues a year or two ago and at that time we spoke quite often by phone as I was concerned about his health. However, I remember thinking just a few weeks ago that I had not heard from Mark in quite some time. I'll always regret that I didn't get to make that call.... He will be missed.

“ Since age 3, Mark & I have been best friends. Lots of memories over the years, it all seems so surreal. I'll miss talking and visiting with him. May he rest in peace and allow the family peace and comfort as well.

“ Mark Lockhart Family: We am sorry to hear about Mark passing away. Garrett showed Hereford cattle with him and sold him seed off and on. I Cheryl (Schmink) went to school with him. I helped him with bookkeeping. Sending sympathy and prayers.
