“ To Susan and the entire Ingerham family: I was both shocked and terribly saddened upon hearing of the loss of Phillip. I always knew him to be a man of high moral standards, a loving family man and having a warm and generous sense of humor. While it's been too long since I've visited with Phil, I'll never forget all he did for me during my life journey.

He was so proud of both Mara and Leah and I hope your memories of your father can help sustain you during this grieving period.

I am so glad that Phillip touched my life in so many ways. He was a terrific man.

With sincerest condolences,

Bruce Rosenberg
