“ Words can not express how deeply sorry I am for your loss. I didn't know Sydni as an adult. I knew her as a six year old. She always wore a smile and was a very pleasant child. I will always remember her that way. I am praying these words from family and friends will ease your pain.

“ Our deepest and heart felt sympathy go out to you all. My dearest memory of Sydni would be of when she carried her infant nephew in his baby carrier for hours thru a mall in Oklahoma, while his mommy (Jessi) and I shopped for hours! She never complained once, but I know her arms had to ache like crazy :)
